

Lame ass British motherfucking broken teeth tea drinking small country weird accent monocle top hat wearer bitchass motherfuckers with their poor hygiene and dental care and a shitty bitchass old ass motherfucking queen that was alive during the fucking Boston tea party just to say "OH WHAT BLOODY WANKERS" towards the Americans who made the smart ass decision to throw their dumbass motherfucking tea into the fucking BOSTON HARBOR then say "see you" and get the fuck out and start a new nation and shit cause they couldn't tolerate people who put the letter "u" into the word color and call cookies fucking BISCUTS, the British cant even see straight with their crossed-ass eyes and their messed up teeth and EVERYTIME they take a bite atleast 8 of their teeth on their crooked-ass jaws are shoved into their tongues and the top of their worthless ass bitchass motherfucking mouths and then, with a mouth full of blood, they'll say "OH HOW FUCKING SCRUMPTIOUS" like shut the fuck up bitch no one wants to hear your accent that sounds worse than motherfucking nails on a chalkboard. Just. SHUT. THE FUCK. UP. Lameass wankers.
