

About Hate

Hostility Attacks and Racisms are always signs of hatred that is in this world, For Instance anyone who is hostile and shows hostility is their to abuse their power and assert their filthy dominance which in turn can be a huge Attack and brings catastrophe to the whole world. This sudden surge of Racisms due to covid pandemic spread has been harassing all the people in the different regions of the world we should understand that harassment and abuses of any kind on Racism or body shaming itself is not right and should not be tolerated
